

ICN PASSPORT: TANGIBLE ACTIONS TO ACCELERATE INTERNATIONALIZATION

Presented by  RESEARCH TRIANGLE
CLEANTECH CLUSTER in collaboration with

A SERVICE LIKE HOME ON ALL CONTINENTS

International Cleantech Network (ICN) is the global network of the best performing cleantech clusters. Within the ICN Passport, each cluster member of ICN provides selected services for members of other ICN clusters by opening doors and knowing which ones to knock on. www.internationalcleantechnetwork.com

WHAT IS THE ICN PASSPORT?

- **International membership:** Be a member of one ICN cluster, get the membership benefits of all the other ICN clusters. For example, when an ICN cluster has access to an event or activity with a special discount for its members, all other ICN cluster members also enjoy access to the activity with the same member discount.
- **Welcoming offices:** SMEs and other members of an ICN cluster can use office workspaces (internet, phone and printer) and conference rooms in all ICN cluster organizations while exploring market opportunities. This service is available during local working hours only and for a period of one (1) week maximum. *
- **Connections with key contacts:** SMEs and other members of an ICN cluster can request assistance from any other ICN cluster to help identify and meet potential partners, giving them premier business contacts around the globe.

WAY FORWARD

1. Send the application to ICN Secretariat frederik@internationalcleantechnetwork.com
2. ICN Secretariat facilitates contact between applicant and the host cluster*
3. The host cluster and the applicant arrange details of the visit

**This offer is subject to availability of the host cluster resources (support staff, documentation, space)*
