

CHINA MATCHMAKING EVENTS & CLEANCONNECT CONFERENCE

NANJING 13 - 16 NOVEMBER 2018

EC2i

European Cleantech
Internationalization Initiative

Why Join?

The EC2i partnership is pleased to invite you to a matchmaking event organised in conjunction with the CleanConnect Conference in Nanjing on 15-16 November 2018.

The event represents a great opportunity for European companies to meet Chinese project owners and corporate buyers within the field of:

- VOC's Treatment
- Soil & Groundwater Remediation
- Waste to Value
- Industrial Wastewater
- Hazardous Waste
- Monitoring and Smart Solutions

You will be part of the European EC2i initiative, including networking with other European technology providers and a clear follow-up process.

Different packages suiting your company needs from all-inclusive arrangements (EUR2.200 includes flight, 2 nights hotel, transportation to the venue, CleanConnect conference, matchmaking event and follow-up process) to minimal booking (EUR400 for the matchmaking event) are organized. The event also envisages site visits to a Yixing Industrial Park and a meeting with the EU Chamber of Commerce in Shanghai for EUR2.800 (includes flight, 3 nights hotel, transportation to the venue, CleanConnect conference, matchmaking event and follow-up process).

This project has received funding from the European Union's COSME programme under Grant Agreement N°783403
